General Comments:	Won't find them better. 1500 placed in November and sorted for weight and quality prior to turn out. Very front end cattle with a tight sort for quality. 2 full loads of 64,000 lbs will be offered and loaded. Loading areas are of good quality. Shrink is set at 3% as the cattle are in very large brush pastures. If cattle are loaded within 4 hours of start of gather, a 4% shrink will be taken. (South Field 22)
