

Raised Right Bred Heifer Sale Catalog December 13

Lot 1 4M Cattle Company Kevin Marcinek

50 Homeraised Heifers

With performance plus fleshing ability bred into them. Reputation heifers known for making great mama cows with good udders and milk. Cow herd must raise 60% of their body weight. Steer calves averaged 835 lbs straight thru this year with no creep. Has been a closed herd with thirty year breeding program sourcing the top bulls in the simmental and angus breeds. They are bred to top end calving ease angus bulls for 60 days Jan Feb calving.

90 Simmental Heifers

Red, RBF, BBF early calving simmental heifers. Purchased from reputation ranches that produce those big calves! Super quiet and bred to the same bulls we use on the ones we keep. Top end black angus bulls with low birthweights. Full herd health with 60 day Jan/Feb calving.

Both the home raised and put together groups will be ivomeced and first and second scour guard shots.
