### Purebred

This guy is one of our top picks! He is deep, long bodied, well framed and overall a well built bull. Lavish is another bull out of the wonderful Mader Walk The Line 92J. His dam is one of our longest lasting cows Bar CL 548Y who had produced many great calves in the past. Lavish is in the top 10% for MWWT, WWT, YWT, and 35% for MCE. If you're looking for a bull who will add size and frame to your herd this guy is the bull for you!

### Purebred

If you're looking for a bull with lost of longevity this guy is the bull for you. His dam Coulee Crest Cameo 561Y has been one of our major producers and she had continued to throw great calves since we purchased her. The heifers she has raised in the past have grown to be strong producers as well. London is a clean fronted bull with a smooth top line and well proportioned body. If you're looking for a bull who will stay producing in your herd for awhile this guy is the bull for you!
