We are pleased to offer MS Flame 437K as a Sub Lot at the Ladies Of The West Bred Heifer Sale. MS Flame 437K has an impressive dam that we bought from Fineline Angus. Flame 41E is moderate made, thick, good footed cow that passes her traits on to her calves. Added with Duff Red Wood 1941 as her sire gives this heifer a promising future. She was brought straight out of the pasture December 10 and has been on pasture to that date with no extra feed! Evaluate this bred for her clean lines and disposition.

Service: Exposed from March 29 to June 15 to Red Rack Rocky 455K. Due Late Jan – Early Feb.
