## SHOWMANSHIP

The showmanship competition will be divided into the three age categories. Animals will be made available for participants not exhibiting in conformation. If the youth have their own animal, it must be used for the competition. Showmanship will be a non-fit/dry-brush competition; animals that have been fitted will not be allowed to be used for the competition. The assigned ring marshal's decision will be final. Split up members in a random fashion so that ages are mixed. Top ten will be selected from each age group no matter on which split they are in.

### Judges: Scott and Emily Matthews – Cookshire-Eaton, Quebec

Scott and Emily Matthews, both grew up on small farms with their respective families, where they participated and held leadership roles in 4-H and breed association Junior programs. Both Scott and Emily have been heavily involved in both provincial and national Simmental Associations. Scott is currently the Breed Improvement Committee Chair of the Canadian Simmental Association and Emily is a past youth coordinator for the same organization. Their passion for quality cattle has led them to raising their own family of two girls, Taylor and Brynn, with the same passion for Simmentals under the farm name Keystone Livestock. While day jobs occupy much of their time, the friendly people of the agriculture industry and the cattle business is where a lot of their heart lies. Showing cattle, supporting local expositions, 4-H, and breed youth organisations is part of their daily life, and they are excited to be a part of CCYA National Junior Weekend!
