# Longlaketon Multiple 4-H Club

The Longlaketon Multiple Beef project group had a busy year! We talked about feeding and nutrition for our project animals and weighed them at the beginning of the year. We set goals for our steer weights and discussed how much they would need to gain a day to achieve this and whether that goal would be realistic to achieve, all the members had very realistic goals! We also had a very informative tour at Babco Meats by Bethune in February. In March the kids learnt about the process of AI'ing cows and in April they learnt about low stress cattle handling. Lots of the members also attended the Yorkton Spring Steer and Heifer Show in April. In May the members had a demo day where they learnt more about Clipping, Grooming, and Showmanship, and had their judging competition and weighed their animals. The members had A fun-filled year and learned lots along the way!

Hi, my name is Jayden Whitbread and I am a Senior member in my thirteenth year in the Beef Project with the Longlaketon Multiple 4-H Club. I will be selling my steer Tito at the Moose Jaw Regional Show and Sale on June 21, 2026. Tito is a home raised Speckle Park X. When I'm not working with Tito I enjoy working with my 4-H Heifer Nifty, working at Buffalo Plains Cattle Co. and hanging out with my friends. I have started a small purebred Speckle Park herd with my older brother. A big thank you to all the buyers who have bought my previous 10 steers.

My name is Wyatt Mack. This is my 8<sup>th</sup> year in 4-H Beef Project. I am 14 years old and Bart is my third steer I've raised. Bart is weighing in at 1085 lbs on Weigh Day and will continue to skateboard until sale day in Moose Jaw. When my heifer Lisa isn't playing her saxophone, she is busy gaining weight nicely. I had a great time at the Yorkton Spring Steer and Heifer Show in April. I am excited to be a 4-H ambassador this year. I'm looking forward to our Club to Club Exchange trip with BC this summer and 4-H Camp. I want to thank my previous buyers Canalta Hotels and A&W for their support of the 4-H program.

My name is Joey Mack, and this is my 6<sup>th</sup> year in 4-H. Homer is my second 4-H Steer Project. Homer is the boss of our 4-H pen of animals; Marge, Lisa, Maggie and Bart. They are one big happy family. Homer weighed in on May 31<sup>st</sup> at 974 lbs and plans to sit around eating grassy donuts until Moose Jaw Sale day. I always enjoy showing at Yorkton Spring Steer and Heifer Show. When I'm not working with my steer, you can find me in the coop with my 4-H Poultry project or in the arena riding Tater. This year I was part of the Beef, Light Horse, Poultry and Trades Projects. I am very excited for the Club to Club Exchange Trip this summer and 4-H Summer Camp. Huge thank you to my steer buyer last year Titan Livestock.

Hi, my name is Cooper Herman and this is my third year in the Longlaketon Multiple 4-H Club. I'm 12 and just about 13. Some of my hobbies are dirt biking, snowmobiling, horseback stuff, and making messes. I picked my steer in October or November and he was born on April 24<sup>th</sup>, 2025. His name is Bubbles and if you're wondering how I picked his name, it was from trailer park boys. Oh yeah, I forgot I live like, around 11 miles north of Earl Grey any info you need please call my dad at (306) 725-7996 Travis.
