Welcome

Welcome from the CCYA National Board

The National Board of Directors of the Canadian Charolais Youth Association would like to welcome everyone to the 2024 conference in Swift Current, Saskatchewan! The conference and show annually proves to be one of the best events of the year providing many opportunities to learn, see new and old friends, and have fun showcasing our great breed!

The Saskatchewan Charolais Youth Planning committee has planned an awesome week for our members! Our first full day includes the judging competition before the Welcome Mixer at 7:30 where all of our members get a chance to meet each other by just having fun! This year we have some great chances to learn from industry experts in print and media marketing as well as artificial insemination, which I am sure will provide new knowledge for members young and old! This year's show is also a qualifier to the 2024 Canadian Junior National Heifer Show in Bashaw, Alberta!

This year we renamed our Ambassador Award in memory of Lorne Lakusta- a pioneer in the Charolais industry that we wish to honor. The award is given to the youth that are recognized to be the most helpful, approachable, friendly, and have a generally great attitude towards everyone and everything at the conference.

On behalf of the National Board, we would like to thank the planning committee for all of the time and effort it takes to plan such an amazing event for our members. We would also like to thank our sponsors. Without them, our conference would not be made possible. Feel free to reach out to myself or any of the National Board members with any questions about CCYA! We can't wait to see everyone in Swift Current July 23-27!

Justin Harcourt, National Board President

Welcome from the Planning Committee

Welcome Juniors! On behalf of the 2024 CCYA Planning Committee, I would like to welcome you all to Swift Current, Saskatchewan for our 2024 Canadian Charolais Youth Conference and Show! Our planning committee has been working extremely hard to put together a week full of fun events and competitions. CCYA has always been a summer favorite for many, including myself and I hope you all enjoy the conference as much as I do! We are excited to welcome all of our new members that will be joining us for the conference from all over the country, as well as our returning members!

To this year's sponsors, we cannot thank you enough! It is with your generosity and support towards our youth program that we are able to keep this amazing conference going year after year, and continue to bring youth together from across Canada to participate in such an excellent event! This conference has always been a way for the CCYA program to continue to provide the skills that strengthen our youth's involvement within our association and the cattle industry in general. It is important that we recognize our sponsors for their continued support!

To the 2024 Planning Committee, it has been a pleasure working with each and every one of you to plan this event! There have been countless hours put in to planning this amazing conference, having conference calls and putting everything together to organize an event such as this, and it will all be totally worth it! Thank you all so much for all the time, effort and energy you have dedicated towards this conference!

To the parents, family, friends and youth members attending our 2024 conference, we are looking forward to being your hosts for this year's CCYA and we cannot wait to spend the week with you all, sharing our passion for the Charolais breed! We wish you all safe travels to the 2024 CCYA Conference and Show "Charolais Through the Decades"!

Cassidi Elder, SCYA President

Welcome from the Canadian Charolais Association General Manager

Welcome to the 2024 CCYA Show and Conference, this event is one of the most anticipated of the year. I know that for many participants this is the highlight of their summer. On behalf of the Board of directors of the Canadian Charolais Association we would like to thank the organizers, volunteers, sponsors, participants and parents for their continued investments into our youth and future of this great breed.

Let the Memories be made.

Craig Scott
General Manager Canadian Charolais Association

Honourees

Jill Debenham

Jill was raised in the Charolais breed, and her family is still actively involved in raising purebreds at Beck Farms. Along with her husband Larry, and daughters, Morgan and Haley, they now run a commercial herd of 200 cows near Kennedy, SK using exclusively Charolais bulls on the whole herd. Jill has been involved with CCYA for many years, as a participant herself, while working for the

Canadian Charolais Association (2002-2004), and as the CCYA Youth Coordinator from 2002-2007. She was instrumental in the formation of the National Board after attending the AIJCA in the United States as a chaperone in 2002. Jill was the SCYA Adult Advisor from 2018-2021. Her girls are actively involved in the CCYA program, with both on the organizing committee this year and attending the conference every year they can. Jill was the show chair of the 2019 conference in Weyburn, SK and is the Co-Show chair for this year's show. Jill believes strongly in the Charolais youth program and in the learning opportunities that the CCYA provides to our future beef industry leaders. She goes above and beyond to volunteer her time to support the CCYA program.

Shae-Lynn Book

Shae-Lynn has been active in the Charolais Breed her whole life. She started attending CCYA in 2003 at the age of 8, and attended until she aged out in 2017. Two years later she became the CCYA Youth Coordinator from 2019-2021 working with the National Board year-round

and helping at CCYA Conferences. Now, she is the Saskatchewan Adult Advisor for the SCYA and has

been in that role since 2022. Shae farms with her husband, Jared, and two kids Kinley and Kaycen near Loreburn. They are still actively a part of their family's cattle operation, Horseshoe E Charolais at Kenaston, and Shae also works as a Registered Nurse. We are fortunate that Shae-Lynn has many years ahead of her being involved in CCYA and her knowledge and experience will be valued for upcoming conferences. This year her sister is getting married on July 27 and she is still in Swift Current for the first half of the week volunteering her time! We appreciate everything Shae has done to help with planning this year's conference!

Suzanne and Tyler Smyth

Suzanne and Tyler Smyth of Swift Current, SK have been a valuable asset to our planning committee. Suzanne grew up in the Charolais industry with her family's purebred operation, Wood River Charolais. She is a CCYA Alumni, having attended her first conference in 1998 in Brandon MB. She served on the National Board and was

President of the planning committee for CCYA in 2007. In 2014, Suzanne and Tyler started Flat Top Cattle Co, raising purebred Charolais and Club calves. They are also Sullivan Supply dealers for Western Canada. Suzanne also works as an Independent Contractor for Modern Veterinary Therapeutics. Tyler is an Ag Sales Manager with Flaman Equipment, and has served on the SCA board of directors. Their kids, Cooper and Scarlet, are very active in the show circuit, and will be attending their first CCYA conference this year. We appreciate all the work Suzanne and Tyler have done to prepare for this year's CCYA show.

COMPETITIONS

ARTWORK

Judge: Mikayla Blaschuck

The art competition is open to all participants. All artwork must be done by the youth submitting it. The artwork must depict something directly related to the Charolais industry. It may be a physical item or a digital piece of artwork. It may contain photographs. Any medium may be used: pencil, crayon, pastel, paint, fabric, wood, clay, etc. Including the use of any digital platforms. All digital art must be received as a printed copy. Originality is the key. Presentation and/or framing are encouraged but no points are awarded on this basis. Artwork must be brought to the conference and entered when you register. Only one entry per exhibitor will be accepted. The highest placing between photography and artwork competitions will be used in aggregate and scholarship points. Artwork entered in past competitions will not be accepted.

TEAM GROOMING

Thursday July 25th 9:00 am

Judge: Baxter Blair

The team grooming competition will be 15 minutes in length. Teams of two or three members from the same age group will be arbitrarily made prior to the show. Yearling heifers will be used exclusively for the competition. Junior members will be allowed to use calves. Heifers are to be washed and clipped prior to the competition but dressing prior to commencement will result in disqualification. Teams will be evaluated on the use of equipment, knowledge, skill, involvement, final appearance and presentation of the heifer. The use of unethical or artificial fitting practices will result in immediate disqualification and under no circumstances will be tolerated. Details can be decided at the discretion of the organizing committee.

KEEP AND CULL

Thursday, July 25th at 4:30pm

Judge: Garner Deobold

Participants will compete individually and learn the basics of keeping females in the herd on the criteria of past performance and appearance. Members will be given EPD's and a farm-based scenario according to the competitors age category, as developed by the judge prior to competition, and will be expected to select three females from a pen of five. A class will be held by the judge prior to the competition to explain the fundamentals of EPD's and what the industry is looking for in today's producing animals. Members will have one hour to complete the class and seniors are expected to help juniors complete their card (It may be required to stagger the age groups so seniors are able to assist JR members). Judge and conference committee are expected to clarify expectations of keep and cull cards before the competition and may provide breed average EPD's to members for competition.

TEAM JUDGING

Thursday, July 25th 1:15pm

Judge: Baxter Blair

All participants will choose between team marketing and team judging. This will be chosen at the time of registration. Teams will be made up of two members who are in the same age category. Teams will be made prior to the conference, but the committee reserves the right to modify teams based on actual attendance.

Team Judging – The hosting province has the authority to choose if one or two classes will be judged. If expected to judge two classes, in the first class one team member will be responsible for the ring-person duties and the other will place the class and give a set of oral reasons to the audience. If there is time for a second class, the team members will alternate positions. This is encouraged.

INDIVIDUAL MARKETING

Individual marketing evaluates participant's ability to promote a product (or service). Time is given at the conference; participants are not permitted to use/submit materials in advance.

Friday, July 26th 1:45 pm

Senior and Intermediate Individual Marketing

This year for individual marketing, we are going DIGITAL! Part of our educational seminar will include a session on digital marketing, how to create an ad on CANVA and what makes a good ad. The education session will lead into the individual marketing competition using what you learned with CANVA, and participants will be expected to great their own ad for evaluation. Members will be given forty-five (45) minutes to prepare their ad.

SHOWMANSHIP

Friday, July 25th 9:45 am

Judge: Garrett Liebreich

The showmanship competition will be divided into the three age categories. Animals will be made available for participants not exhibiting in conformation. If the youth have their own animal, it must be used for the competition. Showmanship will be a non-fit/dry-brush competition; animals that have been fitted will not be allowed to be used for the competition. The assigned ring marshal's decision will be final. Split up members in a random fashion so that ages are mixed. Top ten will be selected from each age group no matter on which split they are in. **Splits were done by Random.org**
