Fundraiser Heifer for the *Pohl Family*

We are an ANGUS FRATERNITY who support each other through tough times. Last week the Pohl family lost their home in a fire while away on vacation. After hearing about this devastating news, a few purebred angus breeders, along with OBI Livestock Ltd. wanted to find a way to help the Pohl family as they navigate the upcoming hurdles of putting a home back together for their family.

We will be having a Dutch auction where we will auction off \$10.00 tickets for a Commercial Angus heifer, kindly donated by Pedersen Livestock and Avelyn Angus. All proceeds will be given to Curtis and Kim Pohl.

The fundraiser heifer will be sold following the Ladies of the West Sale on December 17, 2024 in Innisfail, AB. Tickets can be purchased on site or through DLMS. If you would like to purchase tickets ahead of time you can contact:
