

Welcome to Northern Livestock Sales Prince Albert
All cattle were ultrasounded by Gateway Veterinary Service

DAVID EDWARDS

Glaslyn, SK., 127 red Angus Simmental influenced heifers on offer. These heifers are bred to proven calving ease bulls to start calving March 15th for 45 days. They have received the cattle master program pre-breeding and were boosted at preg test. These were sourced from two reputable cow herds.

One set of heifers you will not want to miss!

MUIRHEAD CATTLE CO.

Shellbrook, Sk. 163 black Simmental influenced cow/heifers on offer. The cows were exposed to black Simmental bulls from July 15th to September 15th. Cows were vaccinated with ScourGaurd and Blackleg every spring prior to calving. The heifers in this offering were exposed to black angus bulls from July 15th to August 27th. Heifers received a vaccine booster this fall with Bovishield Gold FPS and Ivomec.

This is a herd of well maintained cows that you will not want to miss!

To Our Valued Producers, Buyers, and Bidders,

On behalf of Northern Livestock Sales, we would like to extend our sincere gratitude to everyone who took part in our recent Bred Cow & Heifer Sale.

To all the producers who consigned their quality bred cows and heifers—thank you for your hard work, dedication, and the trust you place in us to market your livestock. Your commitment to excellence is the foundation of every successful sale.

To all the buyers and bidders—thank you for your support, participation, and confidence in the cattle offered. Your involvement continues to strengthen our market and the relationships that make this industry strong.

As a reminder, our next Bred Cow & Heifer Sale will be held on Friday, December 12th at 1:00 p.m. We invite you to join us again. For full details, please visit our website or speak with any one of our salesmen—we're always here to help.

Thank you once again for your continued support of Northern Livestock Sales. We look forward to serving you at the next sale.

Sincerely,
The Northern Livestock Sales Team
