## WHY SHOULD YOU MARKET YOUR CATTLE THROUGH S.A.L.E.?

### UNIQUE TO S.A.L.E.

We are the first market in Canada to offer **NO SELLER'S COMMISSION** on feeder and cull cattle through both ring and video sales. While standard fees like Brand Inspection, ABP, Insurance, and Clearing Charges still apply, this model means more dollars in your pocket and we consistently market cattle at or above CanFax averages, even with a Buyer's Fee.

### LEADING VIDEO SALE PLATFORM

As a pioneer of video sales in Canada, we connect producers with national and international buyers.

Our major annual events like the Chain Lakes Classic, Western Canadian Video Sale along with our Monthly Video Sales feature real-time live streaming and remote bidding via DLMS.ca. These sales bring maximum competition, ensuring better prices for your cattle

### TRUSTED MANAGEMENT & PROVEN RESULTS

Year after year, our stats speak for themselves—S.A.L.E. consistently outperforms CanFax averages over the past decade. Our auctioneers and sales staff are among the best in the business, helping you market cattle fast and profitably across Western Canada and the U.S
