Added Lots

All proceeds will be donated back to the Canadian Junior National Show being held next Summer in Lindsay, Ontario.

With the passing of Bob Riviere of Uluru Shorthorns, we wanted to make sure his legacy lives on and with having Bobs semen inventory here we decided it would to be a great opportunity to sell semen on Bobs 2 most prized possessions. Bob was a major supporter of the junior shorthorn program, not only here in Ontario but as well on the national level here in Canada. So as an added lot in the sale there will be 2 semen packs selling in memory of Bob.
